

- Missions : To develop students' creativity potentials and integrity quality.
- Methods :  
- To help students develop courtesy, communications and social skills, we use virtue stories/Bible stories, hymns/folk songs/classical music and games.  
- To further enhance students' from creativity to multiple intelligences.
- Facilities : Classrooms, Intelligence Toys Corner, Creative P.E. Corner, Rainbow Studio, Reading Corner, Drama Stage, Band Room and Music Studio.
- Communication : We provide both English Speaking Teachers and Cantonese Speaking Teachers. To better communicate with all participants, first language of most of the classes is English.
