

Bravo Kids' Land is a premier learning centre designed for young children. We offer an excellent and stimulating environment for your child to learn, interact and grow with their peers.

Our staffs include registered kindergarten teachers, native English teachers and a registered nurse. Several staff members have studied psychology which ensures the understanding of our pupils' needs and behaviour, as well as allowing us to create a welcoming atmosphere where children can gain social skills and self-confidence. By using positive reinforcement methods, we are able to enhance their learning capabilities and improve their manners and behaviour.

Located in Tsim Sha Tsui, our premises occupies 3,800 square foot and comprises of spacious classrooms and play areas. Teaching aids and equipment are largely imported and are designed to promote creativity.

We use songs and music to teach rhythm, logic and language skills in an enjoyable way.

Our *Virtue and Etiquette playgroup* enhances children's awareness of good manners and the need to be considerate and caring persons. This is done through games and activities which are designed to create well-rounded individuals at an important stage in their development.

Hooked on Phonics is a very popular course developed in the USA. An assessment is conducted and children can work through various levels to build up their understanding and phonetic skills.

Playgroup sessions run for one, two or three hours and are conducted in English and Cantonese.

Courses include:

Creative Dance

Virtue and Etiquette playgroup

Child Brain Development Series

Hooked on Phonics
